REUTER'S AGENCY

All the home newspapers of last Monday devote considerable space to obitancy notices of Lord Braupton, better known to the Binghish public as Sir Hany Hawkins. Yet Beuters Agency neglected to send a word annonating his death. It will be renounbered datt the same Agency did not give us the news of the deaths of either Raskin or Herbert Springer. Yet over and over again the demise of quite unknown persons is annonated For example on Saturday morning Reuter's Agency annonated that the Prench Senator Hugo had died. The deceased gentleman appears to be quite unknown to fame and a French Cairo contemporary is not a loss to identify him and exclaim:

contemporary is at a loss to identify him and cackings:—

vrai qu'à la foire il y a puis un son ser s'appelle Martin. D'autre part, on nous suggère que ce nom de Hugo pourrait bien. n'être que le prénom du défunt sénateur, et que le nom de famille a dû rester au bout du fil, cela n'aurait rien d'extra-ordinair pour jui connaît le soin apporté par nos ineffables /agences à la transmission de l'auxe directles.
